Istanbul, March 8th, 2023

Dear Partners,

Based on the fruitful and traditional cooperation developed between our institutions in the field of Maritime Education and Training, we are honoured to renew our esteemed consideration in respect of your valuable contribution provided, as ongoing support, for initiating and implementing joint projects and programmes for research and development. Taking under consideration the implementation calendar of the joint project MARSNET – **"Maritime Simulators and Training Facilities Network for Enhancing the Exchange of Good Practices and Digital Learning"** awarded to our partnership under Erasmus KA220 - Cooperation Partnerships in Vocational Education and Training, we would like to invite 5 (five) representatives from your institution to participate in the C5 activity -**Watchkeeping course on engine room simulator for engine cadets -blended training session practice to virtual**, organized and conducted by the Piri Reis University in Tuzla during April 24th -28th 2023.

The event will be a great opportunity not only for planning and checking the project objectives and tasks progress but also for enforcing the knowledge and good practices exchange between the project members, opening new paths of joint cooperation among our universities.

For administrative purposes, please find attached the registration form, as to be submitted no later than April 10th. Point of contact (POC) for registration and for further assistance and guiding has been nominated Dr. Pınar OZDEMİR who can be reached by e-mail: [pozdemir@pirireis.edu.tr](mailto:pozdemir@pirireis.edu.tr) or by phone: +90 538 207 25 65.

Respectfully Yours,

  
Prof. Dr. Nafiz ARICA  
Acting Rector
