INVITATION LETTER

Dear Partners,

We are honoured to invite you to participate in the **Transnational Meeting N° 5 "Seafaring Cooking Booklet"**, organised by the Conference of Peripheral Maritime Regions and its Balkan & Black Sea Commission, **from 25 to 27 August 2025, on the CPMR premises (Rond-point Schuman, 14 - 1040 Brussels, Belgium).**

Holding our Transnational Meeting on our premises in Brussels, instead of our headquarters in Rennes (Brittany, France), is expected to enable the project partners to arrange meetings with EU officials and Brussels-based organisations for the promotion of the project results and their further capitalisation efforts.

In line with the implementation calendar of the **CUL-MAR-Skills "MARitime Soft Skills for Onboard Healthy Nutrition and CULinary Arts in Seagoing Services"** awarded to our partnership under KA220-VET – Cooperation partnerships in vocational education and training, contract n° 2023-1-RO01-KA220-VET-000156711, we kindly invite **2 (two) representatives of your institution**, selected from the nominated team members. This meeting will be a valuable occasion for planning and checking the project objectives and tasks assignment and progress, enforcing the knowledge and good practices exchange between the project partners.

Point of contact (POC) for registration and further assistance will be Stavros Kalognomos (stavros.kalognomos@crpm.org).

Yours sincerely,
